

Delta AC MAX

Pedestal

- Mounting pole for parking space installations

- Single-sided and double-sided model available

- Black grey powder coated surface for a robust and appealing design

Commercial Building

Parking

Residential Area

Flexible Installation & Robust Design

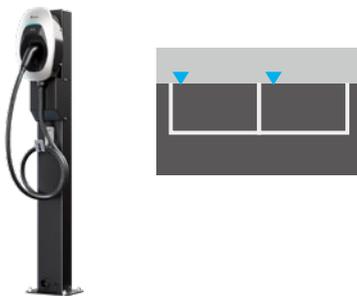

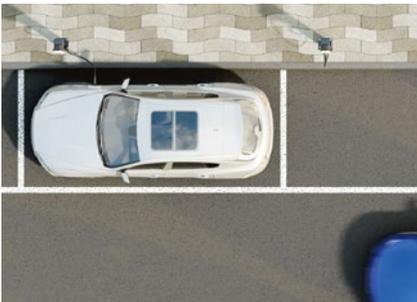

Mount your AC MAX Wallbox in open parking space installations at the AC MAX Pedestal. The robust installation pole is powder coated and therefore very resistant against vandalism and harsh weather conditions. Its black grey colored design matches perfectly with the AC MAX enclosure. The AC MAX Pedestal is available in two models, the single-sided for the installation of one, and the double-sided for the installation of two AC MAX wallboxes.
